

Romanian Nautical College and South Tyneside College (UK) -the first European partnership for successful merchant navy officers-

Romanian Nautical College is located in Marina Constanța, Romania, a splendid location in the largest port of the Black Sea. Created in 2010, the College has trained by now more than 1000 students from Europe, Asia and Africa.

Starting 2016 the Romanian Nautical College successfully works under a Partnership Agreement with South Tyneside College (STC), the longest and most prominent naval college in Great Britain. We offer two programmes:

1. Higher National Diploma “Nautical Science” – future **Deck officers**,
2. Higher National Diploma “Marine Engineering” – future **Engineering Officers**,

with the following structure:

- the first year in Romanian Nautical College, Constanta, Romania
- the second year in South Tyneside College, South Shields, England
- after the two years of theoretical studies **we guarantee you 12 months of sea**

voyages on board of merchant ships, by contract!

At the end of programmes you will be granted the following **British** diplomas:

- a **Higher National Diploma** „Nautical Science” or „Marine Engineering”
- an **Officer licence** „Deck Officer of the Watch” or „Engineering Officer of the Watch”, issued by the UK Maritime and Coastguard Agency

The following costs are involved:

1. Tuition fee year 1 (in Romania) is 5000 euro
2. Tuition fee year 2 (in England) is 5000 euro (4750 GBP)
3. Monthly accommodation is minimum 300 euro
